#### RULES OF BEHAVIOUR AS AGREED WITH THE CHILDREN IN THE FORM OF A CONTRACT:

For our mutual benefit we make every effort to make our class a friendly and clean environment. We want to learn as much as we can.

1. During lessons we leave our place only when our teacher allows it.
2. If we want to say something, we raise our hand. Only one person speaks at a time.
3. We perform our tasks according to the teacher's instruction and we do our homework.
4. We care for the safety of others and our own safety: we do not push or hit others and we are especially careful on the stairs.
5. We respect each other: we do not offend, judge or criticise other pupils; we do not laugh at them.
6. We do not run on the stairs during breaks. If, during a break, we play outside, we leave school only when accompanied by a teacher.
7. We follow the rules of behaviour in the dining hall.
8. We walk in pairs.
9. During trips and school outings we do not leave the group without the teacher's consent.
